

ELEGANT Workshop on “Big Data”				
Big Data group at UNIVPM				
<i>Ancona, February 6-10, 2023</i>				
Day	Room	Hour	Topic	Speaker(s)
Monday February 6	DII Library	9:00-10:00	Welcome address and presentation of the Department of Information Engineering	Prof. Franco Chiaraluce Head of the Dept.
		10:00-10:15	Workshop Agenda	Prof. Domenico Potena
		10:15-10:45	Research and teaching activities of participants	
		10:45-11:00	Coffee break	
		11:00-13:15	Research and teaching activities of participants	Prof. Domenico Potena
	13:15-14:30	Lunch		
	DII Library	14.30-16.00	Self-study and reflection	
Tuesday February 7	Daisy Lab	9:00-11:00	Process Mining	Dr. Alex Mircoli
		11:00-11:15	Coffee break	
		11:15-13:00	Data-driven optimization models and methods: some application examples	Prof. Ornella Pisacane
		13:00-14:30	Lunch	
	Daisy Lab	14.30-16.00	Self-study and reflection	
Wednesday February 8	DII Library	9:00-11:00	Data-driven process analysis	Dr. Laura Genga
		11:00-11:15	Coffee break	
	DII Library	11:15-13:15	Sentiments Analysis and Data Analytics applications	Dr. Alex Mircoli
		13:00-14:30	Lunch	
	DII Library	14.30-16.00	Self-study and reflection	
Thursday February 9	DII Library	9:00-11:00	Semantic Modeling of Performance Indicators for Collaborative Information Systems	Prof. Emanuele Storti
		11:00-11:15	Coffee break	
		11:15-13:15	Syllabus of Big Data related courses	Prof. Domenico Potena
		13:00-14:30	Lunch	

	DII Library	14.30-16.00	Self-study and reflection	
Friday February 10	DII Library	9:00-11:00	Lessons learnt for curriculum development and research at UNIVPM	
		11:00-11:15	Coffee break	
		11:15-13:00	Lessons learnt for curriculum development and research at UNIVPM	
		13:00-14:30	Lunch	
	DII Library	14.30-16.00	Lessons learnt for curriculum development and research at UNIVPM
