

ELEGANT

Student Project Winner from ABAU CodePulse

Team Members

Students:

- Ahmad Abed Ibrahim Allan.
- Jaafar AbdalMajid Muflih Al-Wahsh

Supervisor:

- Dr. Khalid Alkarabsheh

Project Description

A web-based code collaboration platform that allows developers to work together on coding projects in real-time. The platform should provide features for code editing, version control, real-time collaboration, and communication tools to enhance teamwork and productivity.
